MDL No. 2591

AFFIDAVIT OF ELLEN K. REISMAN

Ellen K. Reisman, being first duly sworn according to law, states:

I am an attorney at law, duly licensed to practice law in the District of Columbia and California.

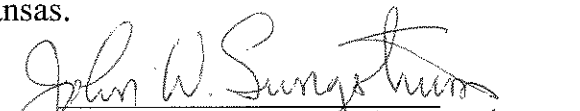

I have thoroughly familiarized myself with the issues involved in the currently pending state and federal lawsuits arising from Syngenta's development and sale of corn seeds containing genetically modified traits known as MIR 162 and Event 5307 before China's approval to import corn with those traits. As a result of my knowledge of the proceedings, I attest and affirm that I know of no grounds for disqualification under 28 U.S.C. § 455 that would prevent me from serving as the special master in the matter.

Ellen K. Reisman

Signed and sworn before me on this 23rd day of March, 2016, in Kansas City,

Kansas.
