SCHEDULING ORDER NO. 3

On July 29, 2016, plaintiffs filed their Consent Motion to Amend Scheduling Order No. 2¹ (ECF doc. 2366). After reviewing the motion, the court informed lead counsel for plaintiffs and defendants that under the proposed extended deadlines, it would be unlikely that summary judgment and *Daubert* motions could be decided 60 days before trial (the usual goal in this district). Counsel indicated their understanding and stated that plaintiffs still sought the extensions and defendants still did not oppose them. For good cause shown and after conferring with the presiding U.S. District Judge, the court grants the motion and modifies the dates contained in Scheduling Order No. 2 as follows:

¹ ECF doc. 1098.

Event	Current Schedule	Modified Schedule
Plaintiffs' Merits Expert Reports	September 9, 2016	October 10, 2016
Completion of Plaintiffs' Merits Expert Discovery	October 10, 2016	November 9, 2016
Syngenta's Merits Expert Reports	November 4, 2016	December 5, 2016
Completion of Syngenta's Merits Expert Discovery	November 23, 2016	December 23, 2016
Pretrial Order Due	November 23, 2016	December 23, 2016
Final Pretrial Conference	December 5, 2016	January 10, 2017, 1:30 p.m.
Summary Judgment and <i>Daubert</i> Motions Due	January 6, 2017	February 6, 2017
Summary Judgment and <i>Daubert</i> Oppositions Due	January 27, 2017	February 27, 2017
Summary Judgment and <i>Daubert</i> Replies Due	February 10, 2017	March 13, 2017

All other provisions of Scheduling Order No. 2 shall remain in effect. The schedule adopted in this amended scheduling order shall not be modified except by leave of court upon a showing of good cause.

IT IS SO ORDERED.
